The Principal Message

I am happy to know that the 'Prospectus-2019' of Sariya College is ready for publication. It is a handbook providing all kinds of information to newly enrolled students. Even for Parents and others, there are enough materials/information to Know briefly about the rules, regulations, and academic curriculum, sports, and cultural activities.

Profile of departments/institutes and directorates of Sariya college Suriya. We are dedicated to promoting academic excellence, human value-induced learning, and the all-round development of learners, and once a pupil completes his/her student life cycle, he leaves campus as a disciplined, skilled, academically sound, and responsible citizen of the country. I must assure new learners, their parents, and society that we mean academic business and nothing else. We stand for freedom of ideas and thought but not to abuse and misuse the extended length of freedom. We are providing enough opportunities for students to excel in different fields. Every year student union election is held. Their role is well defined in Sariya college Students are given opportunities to become a member of the Departmental Council, IQAC, Departmental News Bulletin, NSS, etc.

At last, my message to my dear students is only to have confidence in your capability and do hard endeavors with a clear target for achievement by making use of all kinds of resources available to you. No one can stop you from scaling the target. My blessings and good wishes are always with you all students.

About College

Sariya College, Suriya a premier institution for Coeducation at Sariya, Giridih District in the State of Jharkhand. It is a Permanently Affiliated College of Vinoba Bhave University, Hazaribag. It was founded in the year 1984 with the aim to impart higher education to rural students. The dreams of the poor students who are deprived of higher education have been translated into reality by this glorious institution. Our college caters to the academic and professional needs of boys & girls not only from Sariya but also from adjoining rural areas and nearby states.

The college initially started functioning with only 14 students in the Arts and Commerce Stream and had few teaching staff. The State Govt. and the university provided temporary affiliation in the Arts, and Commerce faculties from the session 1984-85 then from the session 2011-14 the State Govt. and Vinoba Bhave University, Hazaribag provided Permanent Affiliation to the college in the faculty of Arts (General), and Commerce up to Honours & General level. Sariya College is registered under the Society Registration Act and is also registered under sections 2(F) and 12(b) of UGC of Govt. of India.

The college has earned the reputation of being one of the leading multi-disciplinary institutions in the state in a very short period, based on academic and extracurricular activities at the university. Sariya college was inaugurated with a clear vision that it would pursue excellence and provide higher education to the people of this rural and economically deprived section. The college sensitizes its students on gender and environmental issues through its curriculum celebrating national and international days and organizing awareness/ through seminars, symposiums, drama, quiz competition etc. The college has developed into an ideal campus with buildings. It has well-furnished classrooms, library and departments. The college has sufficient number of computers in the computer lab and different types of educational aids like smart board, projectors etc. The college has highly qualified and experienced faculty members and experienced non-teaching staff.

Sariya College has a very active NSS unit, it has adopted a local village named Birhortanda to develop it into an ideal village. The volunteers of the NSS Unit take up various awareness programs in that village. The result has been quite encouraging. The committees for cultural, sports, and literary activities are also very active. The college participated in youth festivals, sports, and quiz competitions at the university level every year. The college has formed IQAC and the critical inputs coming out of it have been of great help in improving the quality of the institution. The college has also conducted parent-teacher meetings to bridge the gap and strengthen communication. The alumni of the college have indicated that most of the old students are well placed and doing their duties successfully. IQAC and the career counseling cell are engaged in the placement of the students. The members of the faculty and Principal are engaged in consultancy and extension work. So, the college is providing a rich learning and teaching environment to nurture the talents for inculcating a hunger for lifelong learning. Preparing the Self Study Report has been an activity of great learning and challenge. It is a teamwork and the college is fortunate to have such a talented and hard-working steering committee. Everyone has contributed sincerely in various forms to complete the assignment.
