

Report on Incubation Center / Startups / Entrepreneurship Cell

1. Introduction

The **Entrepreneurship Development Cell (EDC)**, aims to promote innovation, creativity, and entrepreneurial thinking among students. It provides guidance, resources, and mentoring to help aspiring entrepreneurs turn their innovative ideas into successful ventures.

2. Objectives

- To create awareness about entrepreneurship and start-up culture among students.
- To provide mentorship, financial guidance, and networking opportunities.
- To develop entrepreneurial and managerial skills among students.
- To identify, nurture, and support innovative ideas.
- To build linkages with industry investor bodies.
- To conduct a training and mentoring program on innovation and business development

3. Activities will be conducted

During the academic year **2025–2026**, the Incubation Center/EDC will be organised the following activities:

- A. Entrepreneurship Awareness Program (EAP).**
- B. Seminar.**
- C. Startup Awareness.**

4. Future Plans

- To expand incubation facilities and establish a pre-incubation program for early stage ideas.
- To organize a **Startup Awareness Program.**
- To introduce **Entrepreneurship Courses** and **Skill Development Modules.**
- Mentoring to help aspiring.

5. Current Status

We are providing education facilities on Entrepreneurship in SEC Paper of Semester-I & as MDC Paper where students can learn about how to become entrepreneur. For “Aatamnirbhar Bharat” slogan of Hon’ble Prime Minister of India, Our college is committed to do the same.
