Sariya College, Suriya: An Overview

The establishment of Sariya College in 1984 stands as a testament to the visionary initiatives of the Sariya block's eminent civil society members, who sought to provide accessible higher education for the local youth. This foundational goal was rooted in a commitment to inclusivity, aiming to serve students from all backgrounds, particularly those from historically disadvantaged sections of society, including OBC, SC, and ST communities.

Initially granted temporary affiliation by Ranchi University for Arts faculty degree courses in the 1984-85 session, the college quickly cemented its vital role in the region. It proudly became the sole co-educational degree college within the Bagodar legislative assembly of Giridih district, dedicated to democratizing education and fostering social mobility.

The institution's journey of growth and formal recognition has been marked by significant milestones. It achieved a major accomplishment by securing permanent affiliation from the Jharkhand government and Vinoba Bhave University, Hazaribag, for both Arts and Commerce faculties at the General Level, starting from the 2011-12 academic session. This validation of its academic standards was further strengthened with the grant of permanent affiliation for Arts at the Honours Level from the 2014-15 session, enabling a more specialized and in-depth curriculum for its students.

The college's physical foundation was made possible through the generous philanthropy of esteemed individuals like Sri Mahabir Pd. Jain and Sri Janki Lal Daga, who donated the essential land for the campus to the Hon'ble Governor of Jharkhand. Their enduring contribution, among many others, has been instrumental in the college's successful completion of over three decades of service.

Bolstered by this legacy of community support and driven by its founding mission, Sariya College continues to strive towards its core objective: empowering the youth through quality education and molding them into informed, proactive, and responsible citizens for the nation.

Sariya College: Nurturing Minds, Empowering a Rural Community

A product of grassroots initiative, Sariya College has been a cornerstone of the Sariya block since its inception, embodying the power of a community's vision to harness education for transformation. Established in 1984 through the concerted efforts of eminent civil society members, the college was founded upon a profound and urgent mission: to bring accessible higher education to the doorsteps of local youth, particularly those from historically weaker and marginalized sections of society. In a region where educational opportunities were scarce, the institution emerged as a beacon of hope and a catalyst for social mobility, dedicated to the principle that enlightenment and empowerment are the birthright of every individual, irrespective of their background.

The college's journey began with a modest yet determined inception. In its inaugural 1984-85 session, it welcomed a pioneering batch of just 14 students into the faculties of Arts and Commerce, operating with a handful of dedicated teaching staff under the temporary affiliation of Ranchi University. From these humble beginnings, Sariya College quickly cemented its vital role as the sole co-educational degree college within the Bagodar legislative assembly. Its doors were open to all, with a special focus on uplifting students from OBC, SC, and ST communities, thereby actively democratizing the landscape of higher education in a rural context.

Through decades of unwavering commitment, the college has achieved significant milestones that underscore its growth and academic credibility. A pivotal moment in its history was the grant of permanent affiliation from the Jharkhand government and Vinoba Bhave University, Hazaribagh, for both Arts and Commerce faculties at the General Level, effective from the 2011-12 academic session. This validation was further strengthened with permanent affiliation for Arts at the Honours Level from the 2014-15 session. Today, the college offers a robust and diverse range of Undergraduate programmes under the Four Year Under Graduate Program (FYUGP), including a Bachelor of Arts (B.A.) in disciplines such as English, Economics, Geography, Hindi, History, Khortha, Political Science, Geography, Philosophy, Sanskrit, Sociology, and Urdu; a Bachelor of Science in Botany, Zoology, Physics, Chemistry and Mathematics alongside a comprehensive Bachelor of Commerce (B.Com.) degree.

The institutional integrity and quality of Sariya College are firmly anchored by its formal recognitions and governance structure. The college is registered under the Societies Registration Act, 1860, and holds the critical distinction of being recognized under Sections 2(f) and 12(B) of

the University Grants Commission (UGC), making it eligible for central government grants. Its commitment to quality assurance is demonstrated by its accreditation from the National Assessment and Accreditation Council (NAAC) under the Revised Accreditation Framework (RAF) and a certification from the International Organization for Standardization (ISO). Strategic oversight is provided by a dedicated Governing Body, constituted of seven members, which includes the Principal as an ex-officio member and a democratically elected Teacher's Representative, ensuring collaborative and transparent administration.

Beyond academics, Sariya College has cultivated a vibrant ecosystem for holistic development. The institution has earned a reputation as one of the leading multidisciplinary colleges in the region, a status built upon consistent performance in both academic and extra-curricular spheres. Faithful to its founding vision, the college relentlessly pursues excellence with a clear focus on serving its rural constituency. It meticulously sensitizes its student body to pressing contemporary issues such as gender equality and environmental sustainability. This is achieved through an integrated approach that blends curriculum design with a dynamic array of co-curricular activities—including awareness programs, seminars, symposiums, theatrical productions, quiz competitions, cultural festivals, and the celebration of national and international days.

Ultimately, Sariya College is more than an institution of learning; it is a vital community resource committed to providing the means for its students to grow, develop, and flourish. It strives to mold its youth into not just graduates, but into informed, proactive, and responsible citizens who are equipped to contribute meaningfully to the nation's progress. Building on a legacy of philanthropic support from founders like Sri Mahabir Pd. Jain and Sri Janki Lal Daga, who generously donated the land for its campus, the college continues to look forward, driven by its enduring mission to illuminate minds and empower a generation.

Vision

The college is dedicated to the enrichment of its students' academic and socio-cultural experiences through quality higher education. Our vision is to become a pioneer institution by establishing an ecosystem for education, research, and innovation. We achieve this by optimally utilizing available resources, human capital, and modern technology to develop skilled citizens. These individuals will be equipped to secure a livelihood, contribute qualitatively to their families and society, and act as devoted citizens committed to the nation's development.

Mission

The mission of **Sariya College** is to educate the next generation of citizens and leaders for our society. We are committed to the transformative power of a higher education in the Arts, Science, and Commerce. In our classrooms, students encounter new ideas and ways of understanding, embarking on a journey of intellectual and personal growth that prepares them for a life of purpose and service.

- **To Develop Holistic Individuals:** We train students physically, intellectually, socially, morally, emotionally, and vocationally, fostering moral character, intellectual curiosity, and a committed team spirit.
- **To Champion Academic Excellence:** We are dedicated to the highest standards of academic excellence and social responsibility, creating a class of citizens equipped to strengthen our nation's human resources.
- **To Integrate Knowledge Systems:** We provide a unique synthesis of timeless Indian knowledge and values with modern academic thought, preparing students for a globalized world.
- **To Serve Society:** We contribute to society through the pursuit of education at the highest levels of excellence, using academic, cultural, and physical activities to shape responsible and useful citizens.

From Principal's desk

It is with immense pride and a profound sense of gratitude that I present the Annual Report of Sariya College for the academic year 2024-25. This year has been a landmark period in our institution's history, characterized by significant milestones that reflect our unwavering commitment to the holistic development of our students and our steadfast dedication to academic excellence.

The most significant achievement of this year has been the elevation of our NAAC accreditation to a prestigious 'B' grade. This is not merely a rating; it is a powerful endorsement of our collective efforts—faculty, staff, and students—in building a robust academic ecosystem. This accomplishment validates our rigorous curricula, our innovative teaching methodologies, and our persistent focus on creating a conducive learning environment. It strengthens our resolve to continue on this path of quality enhancement and to strive for even greater heights in the years to come.

Beyond the classroom, our students have illuminated the name of Sariya College with their spectacular achievements. Their exceptional talent and spirited participation in the Youth Festival were a sight to behold, resulting in numerous accolades and bringing glory to our institution. Their victories are testament to the vibrant socio-cultural fabric we nurture alongside academic pursuits.

In a demonstration of our commitment to sports and physical prowess, we successfully organized an Inter-Collegiate Kabaddi Tournament on our campus. The event was a resounding success, fostering sportsmanship, teamwork, and competitive spirit. Witnessing the grit and energy of the young athletes was a powerful reminder that true education shapes the body as well as the mind.

Perhaps most rewarding is the news of our students and alumni making a positive impact in diverse fields within society. They are emerging not just as skilled professionals, but as compassionate leaders, responsible citizens, and agents of change. Their success is the ultimate fulfillment of our mission to educate citizens and citizen-leaders who are infused with patriotism and a commitment to national development.

As we reflect on a year of remarkable accomplishments, I extend my heartfelt congratulations to our talented students, my sincere appreciation to our dedicated faculty and staff, and my profound gratitude to the governing body, parents, and well-wishers whose unwavering support makes our journey possible. Together, we are not just building a premier institution; we are shaping the future of our nation, one student at a time.

With warm regards,

Santosh Kumar Lal
Principal
Sariya College

From Secretary's Desk

It is with great pleasure that I present the Annual Report of Sariya College for 2024-25. This document chronicles a year of significant progress and collective achievement, reflecting our unwavering commitment to the vision of our founders.

The past year has been one of consolidation and strategic growth. Building on the momentum of our upgraded NAAC accreditation, we have focused on enhancing our physical and digital infrastructure to create a more enriching learning environment. New laboratory equipment, library resources, and campus renovations have been undertaken to directly benefit student development.

Our students continue to be our greatest ambassadors. Their remarkable successes in university examinations, youth festivals, and sports arenas fill us with immense pride. Furthermore, the smooth organization of events like the annual Kabaddi tournament demonstrates our institutional capability and our dedication to fostering holistic growth beyond academics.

None of this would be possible without the dedication of our faculty, the trust of parents, and the support of the management. As we look ahead, we remain steadfast in our mission to provide quality education that empowers students to become skilled, responsible, and dedicated citizens, ready to contribute meaningfully to our nation's progress.

Warmly,

Sri Manohar Singh,

Secretary, Governing Body

From Donor Member

It gives me immense pleasure to convey my heartfelt greetings to the students, faculty, and staff of Sariya College for the Annual Report of the academic year 2024–25. The past year has been one of steady progress, academic enrichment, and community engagement. The college continues to uphold its commitment to excellence in education while nurturing values of discipline, integrity, and innovation among its students.

I am delighted to note the institution's ongoing efforts in introducing modern teaching methodologies, digital initiatives, and research-oriented activities that prepare students to meet global challenges. The active participation of students in extracurricular and extension programs reflects the vibrant and inclusive culture of Sariya College.

On behalf of the Governing Body, I extend my appreciation to the Principal, faculty members, non-teaching staff, and students for their hard work and dedication. May Sariya College continue to grow as a center of learning and character-building, guiding young minds toward a brighter future.

The students were introduced to their teachers. The new batch of 2024 – 28 were warmly welcomed to the college.

Departmental Activities

Department of Commerce

On December 10, 2024, the Department of Commerce organized an insightful seminar, inviting SDPO Dhananjay Kumar as the resource person. He provided an invaluable session, expertly guiding students on essential strategies to defend themselves against the growing threat of cyber fraud. His practical advice equipped the attendees with crucial knowledge to identify phishing attempts, secure their personal data, and practice safe online behaviour. The interactive workshop was highly engaging, empowering students with the confidence and necessary tools to navigate the digital world securely and avoid becoming victims of online financial scams.

Department of Botany

On February 28, 2025, the Department of Botany in collaboration with the Department of Zoology organized a seminar at Suriya College, Suriya. The theme was "Empowering Indian Youth for Global Leadership in Science and Innovation for a Developed India." The seminar was led by Ms. Chayra Nisha Aind from the Department of Botany and Ms. Alka Rani from the Department of Zoology. Both speakers provided meaningful insights on the importance of research, technological innovation, and interdisciplinary collaboration in achieving scientific excellence. Students and faculty members actively participated in discussions on various scientific breakthroughs and their impact on India's development. The event also highlighted the contributions of Dr. C.V. Raman, whose discovery of the Raman Effect is commemorated on this day as National Science Day.

Department of Zoology

On 22nd May 2025, the Department of Zoology resonated with the global spirit by celebrating the International Day for Biological Diversity. Embracing the theme "Harmony with Nature and Sustainable Development," the event served as a powerful reminder of the intricate interdependence between all living beings and their environment.

Department of Hindi

- On September 13, 2024, the Hindi Department of Sariya College organized a seminar titled "The Role of Hindi in India's Independence" as part of its Hindi Diwas celebration. Presided over by Principal Dr. Santosh Lal, the event featured insightful discussions from faculty members. Prof. Raghunandan Hazam, Head of the Hindi Department, elaborated on Hindi's significant contribution to India's development and its formal recognition as an official language. Dr. Pramod Kumar, the keynote speaker, advocated for a more positive outlook on Hindi, emphasizing its global stature and the legacy of national leaders who championed its cause. He inspired the audience to continue efforts towards its adoption as the national language.

- ✚ The Department of Hindi organized a Kavita Lekhan (Poetry Writing) Competition on April 5, 2025. The event aimed to provide a platform for students to explore their imagination and enhance their creative writing abilities in Hindi.

Department of History

- On October 5, 2024, the Department of History held a seminar on the slavery system in the Middle Ages.

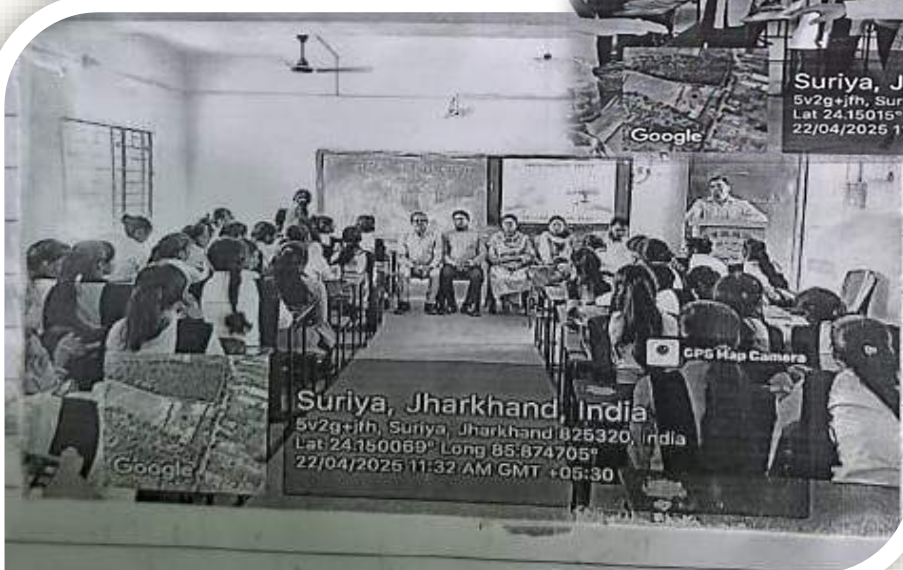

Department of Political Science

- The Department of Political Science, in collaboration with the NSS, organized a seminar to celebrate Constitution Day.

Department of Geography

- On April 22, 2025, the Department of Geography celebrated Earth Day with a solemn oath-taking ceremony. United in purpose, students and teachers pledged to be dedicated stewards of our planet.

Department of Gender Promotion

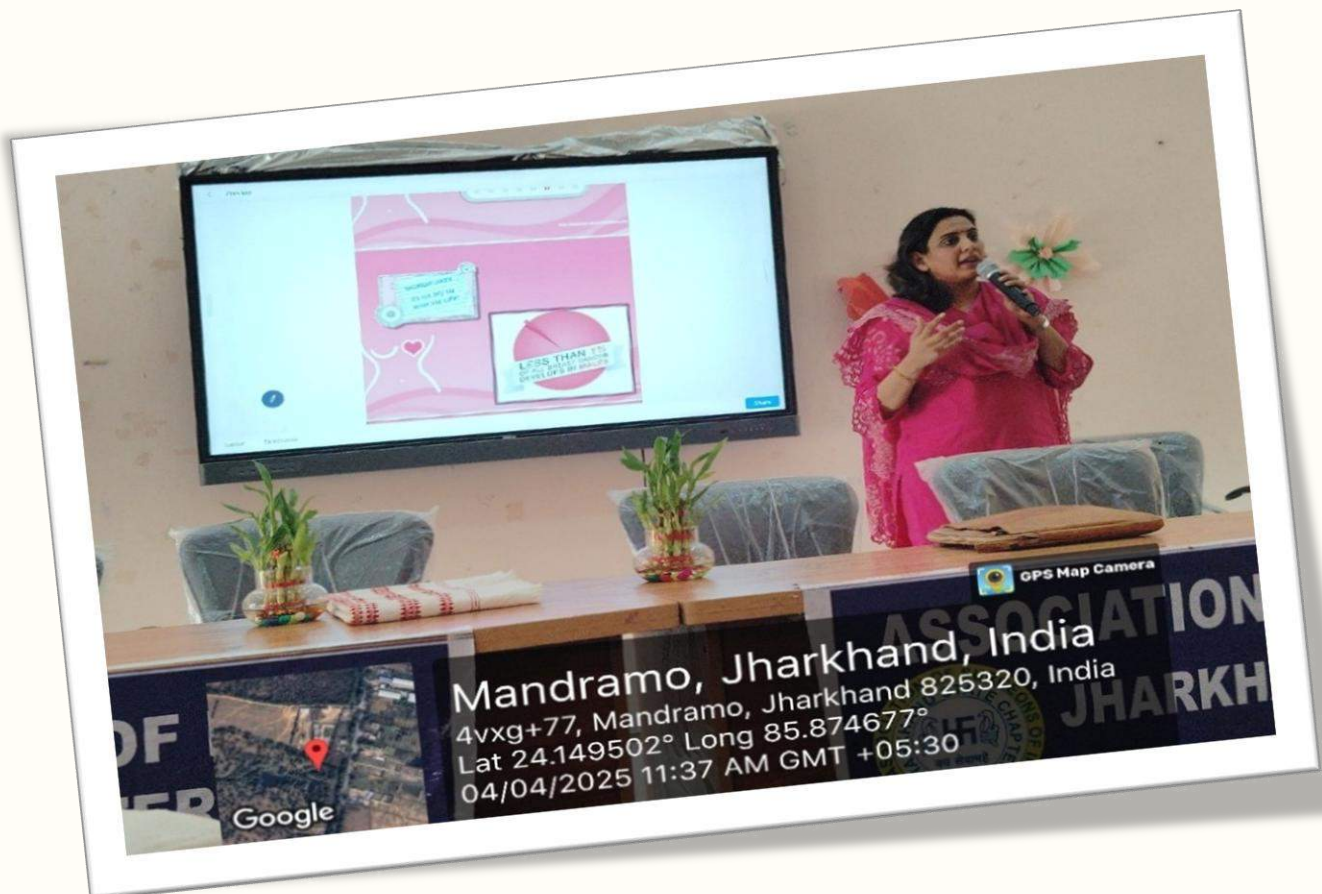

✚ The 5th International Women's Day was celebrated on March 8th in the Multipurpose Hall from 11:30 AM to 1:30 PM. The program commenced with a welcome address by Ms. Sweta. This was followed by a speech from Mr. Pramod Kumar, who provided a historical perspective on the significance of the day. Dr. Santosh Lal, Principal of Saria College, then addressed the gathering, emphasizing the vital role of educational institutions. Ms. Chayra and other faculty members led a discussion on the event's themes, reflecting on past progress and the ongoing work required for the future. The formal program concluded with a vote of thanks. The event also featured a poster-making competition, which saw enthusiastic participation.

✚ The college, in partnership with the Association of Surgeons of India (Jharkhand Chapter), recently organized a vital health awareness program dedicated to demystifying Breast Cancer. The event welcomed esteemed Oncologist Dr. Namrata Mahansariya, who empowered the audience with critical knowledge. Dr. Mahansariya's engaging presentation went beyond the basics, offering a clear guide on early detection, separating harmful myths from life-saving realities, and providing a compassionate roadmap for navigating the

emotional and financial hurdles of a diagnosis. The session culminated in a vibrant Q&A, where Dr. Mahansariya addressed individual queries, fostering an environment of open dialogue and community support.
